

UNATTENDED CHILDREN POLICY

Policy Statement

The goal of the library is to maintain a welcoming environment that encourages families to explore library resources and share learning opportunities. The library wants adults and children of all ages to have a safe, positive experience. Unattended children may act in a manner not in compliance with the library's code of conduct, thus adversely affecting other customers' library experience, and diverting staff from providing service to other customers.

1. For their own protection, children under the age of 11 must be accompanied and adequately supervised by another customer age 14 or above at all times. The library is a public place and, as such, cannot be responsible for unattended children.
2. If an unattended child acts in a manner not in compliance with the library's code of conduct, staff members will take appropriate actions that may include contacting the police.
3. If unattended children under the age of 16 are in the library at closing, two staff members will stay with the child and take appropriate actions that may include contacting the police.
4. If the parents or police do not pick up the child within one half hour of closing after appropriate notification attempts by library staff, the parents may be charged \$75 for each employee remaining with the child.
5. Staff will not transport children home or to any other destination under any circumstances.
6. Repeated offenses may result in restricted or suspended library privileges.
